INFORMED CONSENT FOR TREATMENT

I understand that by initialing and signing below, I am requesting and authorizing the procedure(s) to be performed and I have read and understand the possible risks and complications of the procedure(s).

I understand that I am having the following dental procedures completed today:

X-rays & Photographs: (Taking of intra-oral and extra-oral radiographs). Benefits of treatment: taking x-rays enables us to view dental cavities, abnormalities, development and eruption of teeth. X-rays and photos are also necessary for proper diagnosis and evaluation purposes. Alternatives of treatment: **none**; limited visual examination. Common risks: radiation exposure to soft and hard tissues. Consequences of not performing the treatment: missed diagnosis. **Initial:** _____

Prophylaxis: Today I will be receiving a professional prophylaxis (cleaning) by a Registered Dental Hygienist. Dental cleanings are essential for maintaining health in your mouth. Overtime, bacteria, food debris, and calcified (hardened) material can accumulate on your teeth that your tooth brush cannot remove. Some people get this accumulation much quicker and in greater amounts than others. It may be recommended that you receive professional cleaning every 3, 4, 6 or 12 months depending on your level of need. **Risks:** Teeth may become sensitive to air, hot or cold stimuli, TMJ (Jaw Joint) may become tender due to prolonged mouth opening, & tenderness may be present in the gums for a short time after a cleaning. **Initial:** _____

Treatment Plan Estimates: I understand that fees quoted to me for treatment are only an estimate and subject to modification depending upon unforeseen or un-diagnosable circumstances that may arise during the course of treatment. I understand that regardless of any dental insurance coverage I may have that I am responsible for payment of any and all dental treatment rendered. There has been no guarantee or assurance made by anyone in regard to the dental treatment I am authorizing. **Initials:** _____

NOTICE: By signing this agreement, you are agreeing to have any issue of fees, treatment, or alleged malpractice decided by a binding neutral arbitration, and you are giving up your right to a jury or court trial.

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment);

Dental Appointment Agreement

It is important for patients to keep their dental appointments, because broken appointments result in lost time that could have been used to treat other patients.

Rescheduling Appointments

Our office understands that sometimes situations arise that require rescheduling of your dental appointment. **If you need to reschedule, please call the dental clinic as soon as you know that you will not be able to keep the appointment, preferably at least 24 hours before the appointment time.**

Broken Appointments

If you miss a scheduled appointment or cancel it at the last minute, a broken appointment will be recorded in your dental chart. If you are more than 10 minutes late for an appointment, a broken appointment will also be recorded, and you may have to be rescheduled if there is not enough time to complete your procedure.

We try very hard to maintain our schedule so that all our patients can be treated promptly. Needless to say, canceling with short notice, showing up late, or simply not showing up is very disruptive for our schedule and unfair for our other patients who value prompt treatment.

Failure to keep your appointments or cancelling without **24 hour notice** will result in you the patient (or Guardian) being charged a **\$95 per hour** for the missed appointment.

I understand the Dental Appointment Agreement and agree to follow the terms of the broken appointment policy.
